Help Shape Mexico's Resilient Future

The Community Resilience Partnership, helps municipalities like Mexico access up to \$75,000 in grant funding - with no local match required.

These funds can help lower energy costs, prepare for severe weather, and support local projects that make our community stronger.

The Town of Mexico is working with GrowSmart Maine to enroll in the program and apply for funding.

Join Us for a Community Workshop!

Tuesday, May 20 | 6:00 PM
Mexico Town Office

This is your chance to share ideas, set priorities, and help decide how we can use this funding to benefit our town. Everyone's voice matters- come be part of the conversation!

Please contact Dayea Shim at 207-671-7784 or dshim@growsmartmaine.org for any questions.
